Organizations with Wikidata and GRID

Case Study 4 on Berlin Metropolregion
September 2019

DZHW

Brief on data and methods (Matching report)

DZHW

1. All WOS ~-**2017** (b_2018 KB) pubs
2. *Article*, *Review* as **document types**
3. With at least one author/institution from **Berlin**, **Germany**
4. Number of publications, fractional count, 3 years citations
5. **Wikidata** 27th March 2019, **GRID** 17th February 2019

Brief on data and methods (Matching report)

DZHW

1. All WOS ~-**2017** (b_2018 KB) pubs
2. *Article*, *Review* as **document types**
3. With at least one author/institution from **Berlin**, **Germany**
4. Number of publications, fractional count, 3 years citations
5. **Wikidata** 27th March 2019, **GRID** 17th February 2019

Brief on data and methods (Matching report)

DZHW

1. All WOS ~-**2017** (b_2018 KB) pubs
2. *Article*, *Review* as **document types**
3. With at least one author/institution from **Berlin**, **Germany**
4. Number of publications, fractional count, 3 years citations
5. **Wikidata** 27th March 2019, **GRID** 17th February 2019

Brief on data and methods (Matching report)

DZHW

1. All WOS ~-**2017** (b_2018 KB) pubs
2. *Article*, *Review* as **document types**
3. With at least one author/institution from **Berlin**, **Germany**
4. Number of publications, fractional count, 3 years citations
5. **Wikidata** 27th March 2019, **GRID** 17th February 2019

Brief on data and methods (Matching report)

DZHW

1. All WOS ~-**2017** (b_2018 KB) pubs
2. *Article*, *Review* as **document types**
3. With at least one author/institution from **Berlin**, **Germany**
4. Number of publications, fractional count, 3 years citations
5. **Wikidata** 27th March 2019, **GRID** 17th February 2019

In matching report, Wikidata was limited

DZHW

- To instances of:
  - '*Comprehensive university*' (Q1767829)
  - '*Public university*' (Q875538)
  - '*University*' (Q3918)
  - '*Academic institution*' (Q4671277)
  - '*Fraunhofer Institute*' (Q20168706)
  - '*Research institute*' (Q31855)
  - '*Scientific society*' (Q748019)
  - '*Scientific organisation*' (Q45103187)
  - '*Max Planck Society*' (Q158085)
  - '*Max Planck Institute*' (Q6019423).
- These limited our data from over 55 million cases to **106,794** entities.

Unique organizations (problematic?!)

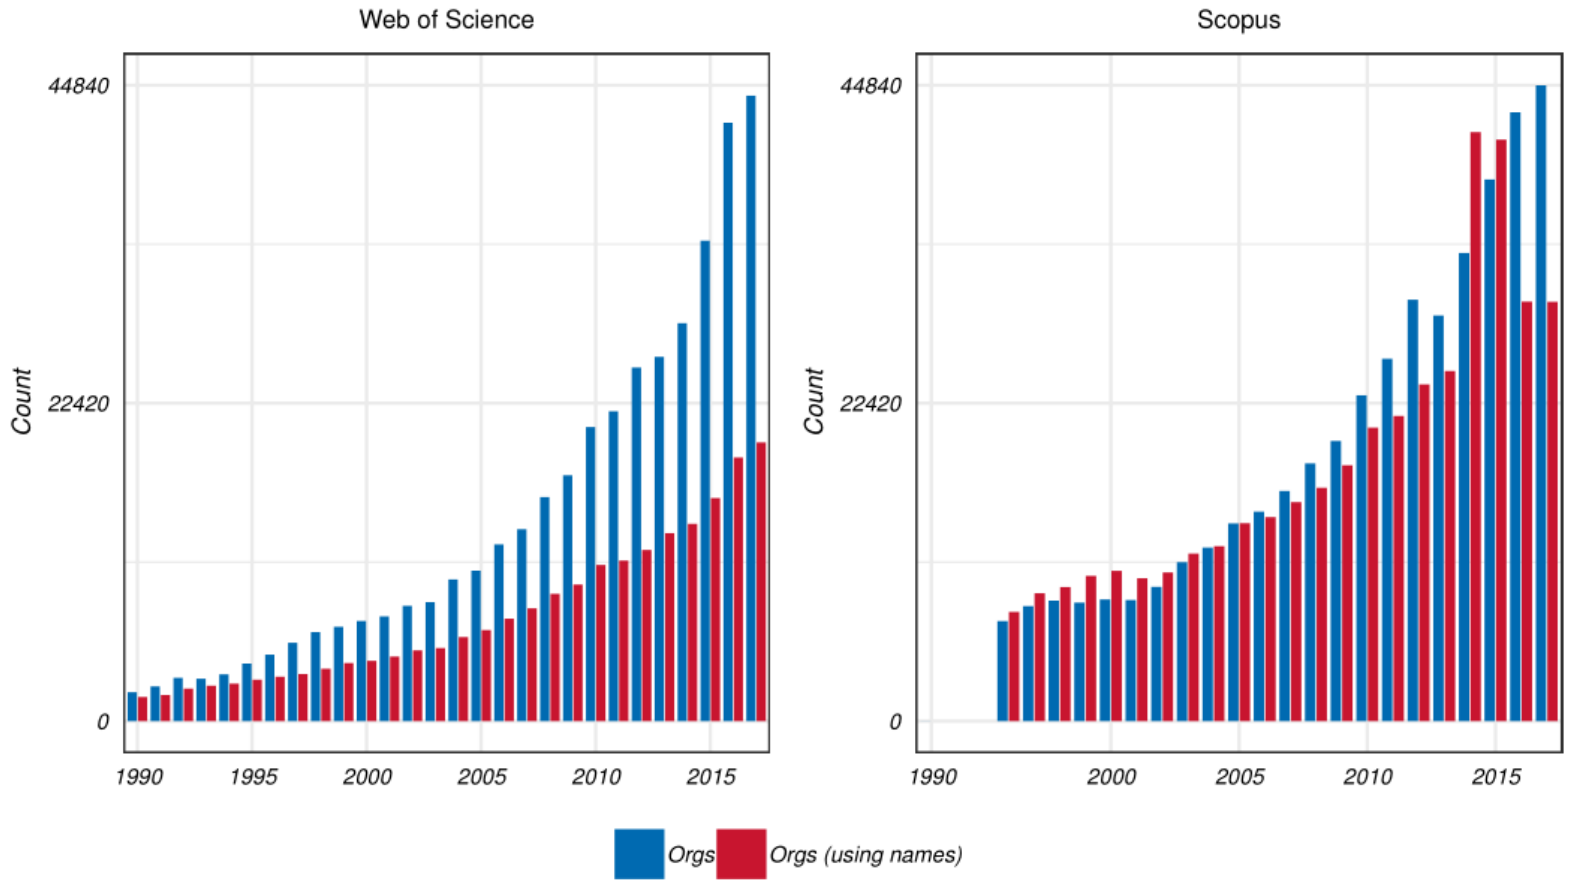

Figure 10: Unique organizations with which Berlin region institutes and universities have collaborated in Articles, Reviews and Conference proceedings in WOS and Scopus in 1990 - 2017

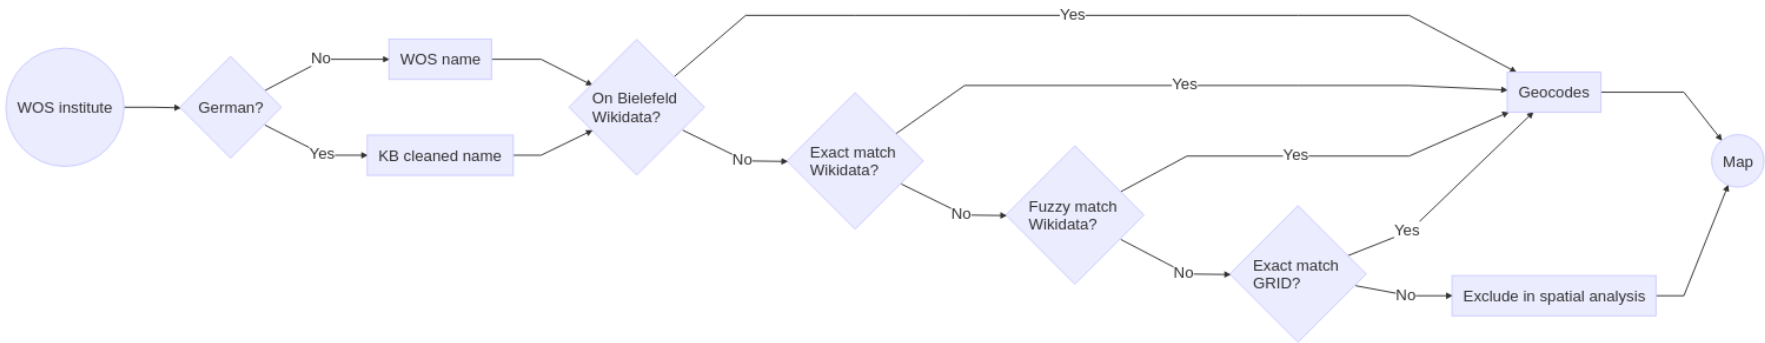
Disambiguation & geocoding logic



Exact and fuzzy matching with GRID and Wikidata

DZHW

Table 1: Descriptive metrics on Berlin metropolitan region organizations, countries and cities (WOS, only article and reviews and where organization was not previously disambiguated by Rimmert et al's project)

Metric	Value
# FK_INSTITUTIONS	287087
# with unique KB name	1028
# Without KB name	286060
# unique WOS country	201
# unique WOS city	11299
# unique German orgs	21726
# unique orgs located in Berlin	10554
# unique WOS ORGANIZATION1	72486
# Normalized name (baseline)	72609
# unique WOS orgs exact match with Wikidata (%)	42665 (58.76%)
# unique Wikidata organizations (exact match disambiguation result)	4444
# unique WOS orgs exact match with GRID (%)	45409 (62.54%)
# unique Wikidata organizations (GRID match disambiguation result)	4614
# unique WOS orgs FUZZY match with Wikidata (%)	60841 (83.79%)
# unique Wikidata organizations (FUZZY match disambiguation result)	7004
